OCEAN-LITE FINS

Beaver Ocean-Lite Fins are an integral part of your diving equipment and should be treated with as much care as the rest of your accessories. Your Beaver Ocean Fins have been manufactured from materials specially designed for use in and around the water. The purpose of your Beaver Ocean-Lite Fins is to aid propulsion during diving or snorkelling. This pair of Beaver Ocean-Lite Fins have been manufactured to stringent quality control regulations, giving you a product which is strong, durable and will give years of trouble-free service provided a few basic instructions are adhered to.

DATE OF PURCHASE: _____

PURCHASED FROM: _____

INSTRUCTIONS

1. Ensure that the Beaver Ocean-Lite Fins you purchase are the correct size and type for the application intended. They are not designed to be used with Diving Boots or Integral Dry Suit Boots. If you are not sure seek the advice of an authorised Beaver Dealer.
2. Remove the foot pocket packaging insert from inside the Beaver Ocean-Lite Fins and inspect the blades and foot pockets for any damage or faults. Do not dive with damaged or faulty equipment.
3. Carefully slip your foot into the foot pocket ensuring that a firm and secure fit is achieved.
4. To remove the Beaver Ocean-Lite Fins, carefully pull the heel tab and remove your foot from the foot pocket.
5. After use rinse in fresh water. Avoid contact with solvents, detergents, oils, etc.
6. To store carefully insert the foot pocket packaging to ensure the shape is retained.
7. Keep away from heat sources and avoid direct exposure to the sun.
8. To extend the life of the rubber components, apply 'McNett Seal Saver' which is available from all Beaver Sports Dealers.

CAUTION

All watersports are potentially hazardous. Before using any water sports equipment you should be properly instructed and trained in its use by a recognised club or organisation.
