## DIVING MASK

Your Beaver Diving Mask is an integral part of your life support system, designed for snorkelling and recreational diving use and should be treated with as much care as the rest of your equipment. This Beaver Diving Mask has been manufactured to stringent quality control regulations, giving you a Diving Mask which is strong, durable and will give years of trouble-free service, providing it is handled and maintained correctly. All Beaver Diving Masks are CE marked, and manufactured to exceed all recognised safety guidelines and are supplied complete with a robust hi-tensile polymer carrying case which should be used for storage at all times.

## INSTRUCTIONS

1. Always ensure that the Beaver Diving Mask is a correct fit and suitable for the use intended. Beaver Diving Masks are not suitable for Underwater Rugby, Hunting or any other activity other than snorkelling and recreational diving. If you are not sure seek the advice of an authorised Beaver dealer.
2. Before using your Beaver Diving Mask for the first time, it is recommended that you clean the lenses using a pre-cleaner such as *McNett Sea Buff* to remove any potential manufacturing residue.
3. Prior to diving, check that the strap and buckles operate and are adjusted correctly and they are in good condition, ensure that the lens is thoroughly cleaned using *McNett Sea Drops* or *Sea Gold*.
4. Never dive face down into the water, and avoid undue impact against the lenses.
5. After use apply *McNett Sea Drops* or *Sea Gold*.
6. Avoid contact with solvents, oils, detergents etc. Always store your Beaver Diving Mask in the hi-tensile polymer carrying case supplied. Keep away from heat sources, and avoid direct exposure to the sun.
7. To extend the life of rubber masks, apply *McNett Seal Saver* to all rubber components. *McNett Sea Buff*, *Sea Drops*, *Sea Gold* & *Seal Saver* and spare parts are available from all Beaver Dealers.
8. Beaver provide a complete range of diving equipment which is available from all Beaver dealers. To receive a copy of our up to date free full colour brochure with prices and full dealer list included, please contact Beaver direct at the details above alternatively visit our website.

## CAUTION

*All watersports are potentially hazardous. Before using any water sports equipment you should be properly instructed and trained in its use by a recognised club or organisation.*
