## MASK STRAP

Your Beaver Mask Strap is an integral part of your diving equipment and should be treated with as much care as the rest of your accessories. Your Beaver Mask Strap has been designed as a spare or replacement mask strap for use on most makes and models of diving masks. This Beaver Mask Strap has been manufactured to stringent quality control regulations, giving you a product which is strong, durable and will give years of trouble-free service provided a few basic instructions are adhered to.

## INSTRUCTIONS

1. Always ensure that the equipment you purchase is suitable for the application for which it is intended, if you are not sure seek the advice of an authorised Beaver dealer.
2. Prior to use ensure that your equipment is in good condition and free from faults or damage that may impair its proper use.
3. To install, carefully remove existing mask strap, taking careful note of the way it was threaded through the mask clips, also retain any retaining loops that may have been on the original strap.
4. Carefully re-thread your new strap in the same configuration as the one you have removed and adjust the length for comfort.
5. During use never over stretch your mask strap.
6. After use wash in plenty of clean fresh water and store in a cool dry place away from direct sunlight, do not expose to chemical cleaners or solvents.
7. Beaver provide a complete range of diving equipment which is available through all good dive stores. To receive a copy of our up to date free full colour brochure with Prices and full dealer list included please contact Beaver direct at the details above, alternatively please visit our website.

## CAUTION

*All watersports are potentially hazardous. Before using any watersports equipment you should be properly trained and certified in its use by a recognised club or organisation.*
