## INSTRUCTIONS

1. Always ensure that the equipment you purchase is the correct size and fit for the application for which it is intended. Boots should be a snug fit, but not restrictive or uncomfortable. If you are not sure seek the advice of an authorised Beaver dealer.
2. Prior to use ensure that your Boots are in good condition, free from any faults or damage that may impair their proper and safe use. Inspect the zips for correct operation, seams and material for holes or tears. Never use faulty or damaged equipment.
3. After use, rinse in fresh water. Avoid contact with solvents, detergents, oils, etc.
4. To clean your Beaver Ocean 7 Boots and any other neoprene products such as wetsuits and gloves, it is recommended that you use McNett Wet Suit Shampoo available from all Beaver suppliers.
5. When not in use, store in a cool and dry location away from heat sources, and avoid direct exposure to the sun.
6. Beaver Sports provide a comprehensive range of boots to suit a wide of applications, please contact your Beaver supplier for further details.

## CAUTION

All watersports are potentially hazardous. Before using any watersports equipment you should be properly instructed and trained in its use by a recognised club or organisation.
