## INSTRUCTIONS

1. Always ensure that the Beaver Dry Box is suitable for the application for which it is intended, if you are not sure seek the advice of an authorised Beaver Dealer.
2. Ensure your Beaver Dry Box is free from dirt and debris around the seals, and any hinges or catches, any contamination may allow water to pass the seals.
3. Regularly grease your O-Ring seals with Beaver Silicone Grease available from all Beaver Dealers.
4. Check that seals are in good condition, when the seals are worn or damaged replace the unit.
5. Never use your Dry Box underwater, they are designed for surface use only, protecting the contents against damage from splashes or accidental submersion.
6. After use rinse in fresh water. Avoid contact with solvents, detergents, oils, etc.
7. Beaver Dry Boxes are available in different sizes visit your Beaver Dealer to see the full range of Beaver Dry Containers.
8. Beaver Sports accept no responsibility for any consequential losses following the use of our dry containers. All valuable items should be fully insured.
9. To store, keep away from heat sources and avoid direct exposure to the sun.

## CAUTION

All watersports are potentially hazardous. Before using any watersports equipment you should be properly instructed and trained in its use by a recognised club or organisation.
